

GYNECOLOGICAL SERVICES AT CHESTNUT HILL HOSPITAL

**Enhancing the
Health of Women**

Women face special health concerns and challenges throughout life. From transitions that begin during adolescence, continue through mid-life, and reach beyond menopause, the gynecology team at Chestnut Hill Hospital will work with you to assess your individual needs. Together, we'll take steps to help enhance your quality of life at every stage.

- Well-woman exams
- Adolescent gynecological care
- Annual screenings
- Services for peri- and post-menopausal concerns including hormone replacement and nutrition counseling
- Alternatives to hysterectomy
- Minimally invasive surgical procedures

Appointments are available for new and returning patients. Call today to schedule an appointment at the location nearest you – our Blue Bell office at 215-646-2213 or our Chestnut Hill office at 215-248-3100.
